INTERVIEW SUMMARY RECORD

In a telephone conference on January 10, 2007, Edouard Garcia (undersigned) explained to Examiner Le that the Office action dated November 29, 2006, did not include any consideration of claims 21-26, which were filed with the Amendment dated September 18, 2006, and therefore the Office action was incomplete (see MPEP § 707.07(i)). In response, Examiner Le indicated that she would examine the inadvertently unconsidered claims and issue a new Office action. Examiner Le also indicated that the newly issued Office action would supersede the Office action dated November 29, 2006 and, therefore, there was no need for the Applicant to file a formal reply to the Office action dated November 29, 2006.
